AHERA 3 Year Re-Inspection and Management Plan

Public Notice

In accordance with the United States Department of Environmental Protection Agency (EPA) AHERA, an asbestos re-inspection report and management plan was prepared by a Massachusetts licensed asbestos inspector and management planner from Enviro-Safe Engineering, 203 Prospect St, Brockton, MA. This plan is available for public review during school hours in the main office. For additional information, please contact Lauren Enos, (781) 871-8320.

No asbestos containing materials were identified during the inspection on February 17, 2021.
