

SICK LEAVE BANK 2023-2024

SIGN UP

Eligible North River Collaborative employees working more than **20 hours per week and with at least one full year of employment** who wish to participate in the sick bank shall complete this Sick Leave Bank form by September 29th in order to contribute one (1) of their annual days of sick leave to fund the bank and in order to be a member. All members will be asked each year whether they wish to participate in the Sick Leave Bank for that school year.

No one may join the bank later during the same fiscal year. All deposits to the bank are to be voluntary. The number of days in the bank will be cumulative to four hundred (400) days in a given fiscal year. Until the total accumulation goes below the 400 days, the members who have donated days will not be obligated to donate any additional days to belong to the sick bank.

There are currently 533 days in the sick bank. If you contributed to the bank last year, please indicate that you want to remain in the bank for 2023-2024 school year. If you remain in the bank no sick days will be deducted from you for 2023-2024. If you are new to the bank, one sick day will be deducted from your FY24 sick time balance.

In addition, two volunteers are needed to represent the staff on the Sick Leave Bank Committee. If you sign up to participate in the bank, please also indicate whether you are willing to sit on the Sick Leave Bank Committee. Those participating in the bank will be asked to vote for two (2) staff members to represent them from the volunteer list.
